

## **Be a waste crusader**

Do you want to be one amongst a few select schools to receive a small financial support for implementing a waste management strategy in your school?

Join the Eco-Schools Programme India. And find out just how your school can gain from this association.

How do I go about doing the same?

- 1. Register for the Eco-Schools India programme**
2. Write-up a proposal (in a prescribed format) for implementing waste management in your school
3. Your proposal will be judged with proposals received from other schools
- 4. A select few schools could win a financial support to make their proposals a reality.**
5. So don't miss the chance!! To join the Litter Less Campaign in India!!
