

Global Sustainable School Certification 2023-24

CENTRE FOR ENVIRONMENT EDUCATION

Centre for Environment Education (CEE) was set up in 1984 as a Centre of Excellence in Environmental Education of the MoEFCC, Government of India. It develops innovative programmes and educational material and builds capacity in the field of Education for Sustainable Development (ESD). It is committed to ensure that Environmental Education (EE) leads to action for sustainable development.

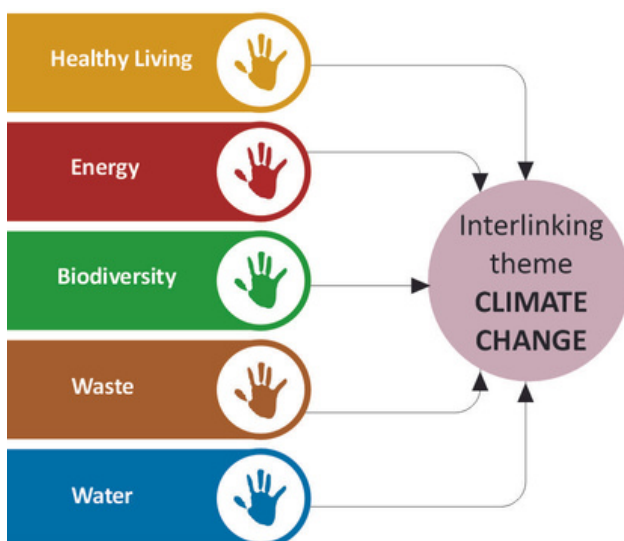

FOUNDATION FOR ENVIRONMENTAL EDUCATION

The Foundation for Environmental Education (FEE) is one of the world's largest environmental education organizations, with over 100 member organizations in 81 countries. The "Eco-Schools" is an international sustainable school program developed by FEE. It has been recognized as an NGO Official Partner of UNESCO with a consultative status.

ECO-SCHOOLS PROGRAMME

The Eco-Schools India is a Global Sustainable School Certification that promotes environmental and sustainability education in schools across all education boards having any medium of instruction. This programme engages the students of Kindergarten to Grade 12.
